

History of the Charles H. Hood Foundation

1946
First Child Health award funded: \$10,000 to Chester Jones, MD, of MGH, for Study of Nutritional Requirements in Disease (2017 equivalent of \$133,428)

1991-2000
Between 1991 and 2000, Hood awardees experienced nearly double the success rate of general applicants in securing NIH RO1 Grants

2001
Million-dollar annual award mark surpassed! \$1,297,066 awarded across 13 projects (2017 equivalent of \$1,798,847)

Thank You!

2000-2017
Leaders in the field: from January 2000 through July 2017, the research of Hood award recipients was formally cited 269,192 times!!

2017
75th Anniversary Celebration for the Charles H. Hood Foundation

Charles H. Hood

A New England dairy industry pioneer in the 1800s, his drive to improve sanitary production and distribution of the milk he sold revolutionized the industry – and dramatically increased the survival rate for infants in the region.

Harvey P. Hood II

Son of Charles H. Hood, he formally incorporated and dedicated the Foundation to improving the health and quality of life for children through grant support of pediatric research within New England. He served as President from 1942-1974.

Charles H. Hood II
President,
1974-2009

John O. Parker
President,
2009-2013

Neil Smiley
President,
2013-Present
